

From : The Principal
To : The Parents/Guardian of Class X Students
Subject : **Selection of Subject Combination in Class XI - Academic Year 2022-23**
Date : 5.3.2022

Circular No. Prin./GA/2022-23/2

Dear Parents/Guardians,

Your ward is appearing for the All-India Secondary School Examination this year and will be looking forward to joining Class XI at Grace Academy. As per the CBSE information, the Board Examination of class X will start from 26th April 2022. Class X (2021-22) will be attending classes from 5th April 2022 and the date for prep leave will be announced, once the CBSE announces the date sheet for 2022 Board Examination. The new academic year 2022-23 for class XI will start immediately after the declaration of the CBSE results.

The combination of subjects that will be offered to your ward will also be confirmed after two days of the declaration of the results and the same will be posted on our school website as well in the Google classroom of the Principal, Vice Principal and the Coordinator for Class XI & XII.

Keeping in mind the National Education Policy 2020, the school has revised subject combinations for Class XI and has done away with the system of "Streams". A holistic and multidisciplinary approach has been initiated by including Science, Commerce, Humanities and skill subjects to start with. Your ward may even opt for a 6th subject as an Additional subject which he/she may have to do on his/her own. The school presently is not in a position to provide the 6th Subject in the School Timetable while choosing the subjects, we encourage you to consider your ward's **aptitude** and **interest**, while helping him/her to choose the subjects objectively. In case, you need the help of the school's Guidance Counsellor, please feel free to contact Mrs. Sudeepta Newton, who will be more than glad to assist you. This may further help you to narrow down your choices. The school will also carry out an orientation regarding these subject combinations to help you and your ward choose the combination prudently. We will be announcing the date and the schedule for orientation shortly.

Kindly submit your consent to the class teacher before 15.3.2022 positively. This will help the school to decide which subjects to offer in class XI --depending upon the subjects opted by the students and the availability of the faculty to teach those subjects. Subjects that have been marked with asterisk (*) will entail a nominal lab fee.

Option	C1	C2	C3	C4
1	English Core	English Core	English Core	English Core
2	Physics	Physics	Accountancy	Political Science
3	Chemistry	Chemistry	Business Studies	Geography
4	Mathematics	Biology	Economics	Economics/Sociology
5	Economics *Computer Science Psychology Sociology	Mathematics *Computer Science Psychology Sociology Economics	Mathematics *Computer Science Psychology Sociology	Mathematics *Computer Science Psychology Sociology
5 Skill Subjects	*Information Technology	*Information Technology	*Information Technology	*Information Technology

The School Managing Committee has laid down a minimum qualifying percentage for admission to Class XI for each subject combination as stated below. After receiving your consent for the subject combination that your ward wishes to take, the school will make a decision and inform you likewise.

MARKS REQUIRED FOR EACH COMBINATION IN CLASS X BOARD EXAMINATION

Required % in AISSE	C1	C2	C3	C4
Mathematics	70%	50%	Aggregate 60%	Aggregate 50%
Science	70%	70%		

Note: 70% Marks is required in Mathematics, if any student wants to opt Mathematics & Computer Science as a 5th Subject in any combination.

Thank you for your kind cooperation.

Sincerely,

Benjamin Newton
Principal
