

For Class XII Parents

Dear Parents of Class XII students,

It has been brought to my notice, through reliable sources that Class XII students of batch 2022-23 of our school, are organizing a 'FAREWELL PARTY' privately, outside the school and some money has been collected for this purpose.

Please be informed that the school is not organizing, sponsoring or has given permission to the students for any such private party or celebration outside the school campus. If students are involved in such party or celebration outside the school campus, the school holds no responsibility or accountability for the same and parents will be entirely responsible.

The school usually organizes Farewell for Class XII students in the month of January/February. The date of the same will be likewise intimated to parents.

Kindly acknowledge the reading of this message ASAP.

Sincerely,

Benjamin Newton
Principal
