

NATIONAL SPACE DAY 23RD AUGUST 2026

From: **India Space Education Research Center**

Date: **Thu, Aug 20, 2026**

National Space Day 23rd August 2026 – Inviting all students and faculty members to register for the National Space Day programme on 23rd August 2026 (Free One Day online session on Artificial Intelligence).

Registration for the National Space Day 2026 Program Updated—Reg. (Part of the broader initiative on Def-Space Education and Innovation for all students and Research Scholars).

1. National Space Day 2026: India became the fourth country to land on the moon and the first to reach its southern polar region on August 23, 2023. To honour this landmark achievement, Hon'ble Prime Minister Shri Narendra Modi announced August 23 as "National Space Day".

2. About the Programme: On the occasion of **National Space Day 2026**, the Bharat Space Education Research Centre is conducting a **free online session on Artificial Intelligence**. In today's era, **Artificial Intelligence** has emerged as one of the most advanced resources for the nation, and this awareness programme will help enhance students' understanding and professional exposure to current AI technology.

On the occasion of **National Space Day 2026**, the **Bharat Space Education and Research Centre (BSERC)** is organizing a **free online session on Artificial Intelligence**.

Who can participate in the National Space Day? Everyone.

Students and individuals with a background or interest in science and technology are encouraged to join.

Public Notice:

The session will be held on 23rd August 2026 from 12:00 PM onwards, and there is **no registration fee**. Kindly circulate this invitation and encourage students from Class 6th and above to attend and learn about **Artificial Intelligence** and its applications in the modern world.

Registration Link: <https://forms.gle/D1Jzw3C9dxNR1cqda>

Mode: Online
